## Responsibilities Service Technician – Wales

As Service Technician, your main responsibilities will be to:

- Install and service gaming equipment
- Be the first point of contact for customers
- Maintain a good working relationship with customers to ensure the company is well represented at all times
- Manual handling of machinery, complying with Health and Safety requirements at all times

## Qualifications

### About you:

Ideally you will already have experience as a Technician / Engineer of gaming machines. If you do not have gaming machine experience, then training can be provided, however it would be beneficial if you have previous experience in the licensed trade sector and/or experience in servicing electromechanical products.

In addition, you will have:

- Excellent interpersonal skills, with the confidence to work with both customers and members of the public
- Good technical skills
- Knowledge of the local area
- A full driving licence and the confidence to drive to new locations daily, as well as drive a delivery van on occasion
- Flexibility with working hours
- The ability to work unsupervised and to manage your time effectively
- The ability to comply with Health and Safety requirements and undertake a significant amount of manual handling

## Job Benefits

### Benefits:

Our Service Technician role comes with a number of benefits, including:

- Competitive salary
- Fully expensed company car which is available for personal use
- Mobile phone
- Excellent opportunities for career progression
